Sl. No.	The school is directed to ensure that :
1	Based on the strength of students reported it is seen that the number of sections reported by the school is incorrect. There are only 13 running sections with optimum student strength of 40. Accordingly, The total number of sections of the school shall be restricted to 19. Any further increase shall require prior approval of the Board, subject to compliance with affiliation bye laws and availability of rooms of 500 sq. ft. dimension.
2	The school does not seem to have referred to the Board's guidelines regarding CWSN infrastructure. The CWSN toilets are a part of the general washroom area with narrow corridors which is likely to restrict free movement of wheelchairs. The Toilets are too wide and hence support rods on two sides are not likely to be of use to CWSN. On the other hand there is no space for a wheelchair/walker to enter and navigate inside the cubicle (depth is lacking) The school shall construct separate toilets for CWSN, boys and girls on every floor with proper permanent signage, as per norms of RPwD Act and guidelines issued by the Board within 3 months and submit compliance with photography on SARAS.
3	The ramp for CWSN to access the upper floors is seen as too steep and unsafe for students and is not as per norms. The school shall dismantle it and construct a ramp as per norms of RPwD Act and guidelines issued by the Board or install a lift within 3 months and submit compliance with videography on SARAS.

The school shall ensure the training of its teachers with CoE Bengaluru within 3 months and submit the compliance.
--

Compliance of the above mentioned points shall be submitted within 03 months on the SARAS Portal. Failure to comply within the prescribed time shall invite financial penalty @ Rs. 50,000/- every month until compliance is submitted and shall debar the school from filling the registration and LOC of students class IX to class XII , as the case may be.

The approval of the Board as mentioned above, is subject to the following conditions:-
